**UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA**

RACHEL CODY, individually and on  
behalf of all others similarly situated,

Plaintiff,

vs.

SOULCYCLE, INC

Defendant.

Case No. CV 15-06457 MWF (JEM)

**JUDGMENT APPROVING CLASS  
ACTION SETTLEMENT AND  
DISMISSING THIS ACTION WITH  
PREJUDICE**

Plaintiffs Rachel Cody and Lindsey Knowles (“Plaintiffs”), on behalf of themselves and the Settlement Class Members, Defendant SoulCycle, Inc. (“Defendant”) (with Plaintiffs and Defendant collectively referred to herein as the “Parties”) have agreed to settle the above-captioned class action suit (the “Action”) on the terms and conditions set forth in the Settlement Agreement (this settlement process hereinafter referred to as the “Settlement”).

The Court has concurrently **GRANTED** the Motion for Final Approval of the Settlement pursuant to Rule 23(e) of the Federal Rules of Civil Procedure (the “Settlement Motion”); also pending is Class Counsel’s Motion for Attorneys’ Fees and Expenses (the “Fee Motion”) and for the incentive award for the class representative.

In connection with the Settlement and the current Motions before the Court, the Court makes the following findings:

1           A.     On June 22, 2017, the Court entered an Order Preliminarily Approving  
2 Settlement and Approving Notice of Proposed Settlement and Fairness Hearing (the  
3 “Preliminary Approval Order”) certifying the proposed Settlement Class under Rule  
4 23(a) and Rule 23(b)(3); appointing Class Counsel, the class representatives, and a  
5 Settlement Administrator; and directing that notice be given to the members of the  
6 Settlement Class of the proposed Settlement and of a Fairness Hearing.

7           B.     In the Preliminary Approval Order, the Court approved the form and  
8 content of the Notice of Proposed Class Action Settlement and Fairness Hearing  
9 (“Notice”) directed to members of the Settlement Class.

10          C.     During the Notice period, June 26, 2017 through September 11, 2017,  
11 the Settlement Administrator caused the Notice to be emailed or mailed to all  
12 members of the Settlement Class, and created a Settlement Website and a toll-free  
13 number for class members. The Notices, Website, and toll-free number informed  
14 members of the Settlement Class of the Settlement terms and that the Court would  
15 consider the following issues at the Fairness Hearing: (i) whether the Court should  
16 grant final approval to the Settlement; (ii) whether the Court should enter final  
17 judgment dismissing the Action with prejudice; (iii) the amount of attorneys’ fees,  
18 costs, and expenses, if any, to be awarded to Class Counsel; (iv) whether to approve  
19 the payment of the Incentive Amount to the class representative and the amount of  
20 the Incentive Amount; and (v) any objections by members of the Settlement Class  
21 to any of the above that were timely and properly served in accordance with the  
22 Preliminary Approval Order.

23          D.     Pursuant to the Notice, six (8) members of the Settlement Class chose  
24 to exclude themselves from the Settlement by submitting timely and valid Opt-Out  
25 Forms, two (2) objections to the Settlement were filed with the Court, and one (1)  
26 objection to the amount of attorneys’ fees was sent to class counsel. The two  
27 objections to the Settlement were subsequently withdrawn prior to the Fairness  
28 Hearing, though the Court still considered the arguments raised in the objections.

1 E. On August 28, 2017, the Settlement Administrator filed with the Court  
2 a declaration attesting to the mailing of the Notice to all members of the Settlement  
3 Class and the results of the Notice. On September 25, 2017 the Settlement  
4 Administrator filed with the Court an updated declaration attesting to the results of  
5 the Notice.

6 F. In accordance with the Notice, a Fairness Hearing was held on October  
7 2, 2017.

8 The Court having entered the Preliminary Approval Order, having heard  
9 argument in support of the Settlement and the Fee Motion and request for the  
10 Incentive Amount for the class representatives, having reviewed all of the evidence,  
11 objections, and other submissions presented with respect to the Settlement and the  
12 record of all proceedings in this case, and having made the foregoing findings,

13 **IT IS HEREBY ORDERED, ADJUDGED, AND DECREED** as follows:

14 1. The Court has jurisdiction over the subject matter and personal  
15 jurisdiction over the parties to the Action, including the Settlement Class Members.

16 2. The Settlement and all of its exhibits (as filed with the Court) are  
17 incorporated in this Judgment, including the definitions and terms set forth in the  
18 Settlement Agreement.

19 3. The Court preliminarily approved certification of the Settlement Class  
20 in this action on June 22, 2017. The Settlement Class is defined as follows:

- 21 • SoulCycle customers nationwide who purchased, during the period  
22 commencing on August 25, 2014 and ending on February 10, 2017, a  
23 SoulCycle Class that expired unused; and SoulCycle customers with a  
24 California billing address who purchased, during the period  
25 commencing on February 1, 2012 and ending on February 10, 2017, a  
26 SoulCycle Class that expired unused.
- 27 • Excluded from the Settlement Class are (1) the judge to whom this  
28 case is assigned, the judge's staff, and any member of the judge's

1 immediate family; (2) officers and directors of SoulCycle; and (3)  
2 persons who timely and validly opt to exclude themselves from the  
3 Settlement Class.

4 4. The Court finds that Plaintiff's counsel satisfies the requirements of  
5 Rule 23(g). The Court further confirms for settlement purposes the appointment of  
6 Plaintiff's counsel as Class Counsel under Rule 23(g).

7 5. The Court also confirms the appointment of Rachel Cody and Lindsey  
8 Knowles as the class representatives of the Settlement Class.

9 6. The Court finds, based on the evidence, that Notice to the members of  
10 the Settlement Class has been given in an adequate and sufficient manner and the  
11 Notice given constitutes the best notice practicable under the circumstances, and  
12 was reasonably calculated to apprise interested parties of the pendency of the  
13 Action, the nature of the claims, the definition of the Settlement Class, and their  
14 opportunity to exclude themselves from the Settlement Class or present objections  
15 to the Settlement. The Notice complied in all respects with the requirements of the  
16 Federal Rules of Civil Procedure, the United States Constitution (including the Due  
17 Process Clause), the rules of this Court, and any other applicable law.

18 7. Members of the Settlement Class were given the opportunity to  
19 exclude themselves from the Class through submission of Opt-Out Forms, and eight  
20 (8) individuals did so in a timely fashion. These individuals are identified on the  
21 papers filed under seal with the Court on September 25, 2017.

22 8. All individuals, other than the eight who timely excluded themselves,  
23 are included in the Class. They are Settlement Class Members and are bound by the  
24 terms of the Settlement and this Judgment.

25 9. Based on the number of members of the Settlement Class on the Class  
26 List and the number of timely and valid Opt-Out Forms submitted, the Settlement  
27 Amount is \$6.9–9.2 million.

28 10. Defendant has satisfied the requirements of CAFA.

1           11. The Court finally approves the Settlement in all respects as fair,  
2 reasonable, adequate, and in the best interests of the Settlement Class pursuant to  
3 Rule 23(e). The Settlement was not a product of fraud or collusion, and the Court  
4 finds it satisfies Rule 23(e) after considering (i) the complexity, expense, and likely  
5 duration of the Action; (ii) the stage of the proceedings and amount of discovery  
6 completed; (iii) the factual and legal obstacles to prevailing on the merits; (iv) the  
7 possible range of recovery; (v) the respective opinions of the parties, including  
8 Plaintiffs, Class Counsel, Defendant, and Defendant's Counsel; and (vi) any  
9 objections submitted by members of the Settlement Class.

10           12. The terms of the Settlement shall be forever binding on the Settlement  
11 Class.

12           13. Neither the Settlement, this Judgment, any papers related to the  
13 Settlement, nor the fact of Settlement shall be used as a finding or conclusion of the  
14 Court, or an admission by Defendant or Plaintiffs, of the truth of any fact alleged or  
15 defense asserted, or of any fault, wrongdoing, or liability whatsoever.

16           14. The parties and the Settlement Administrator shall carry out all the  
17 terms of the Settlement, including the disbursement of reinstated classes to each of  
18 the Settlement Class Members, or the disbursement of money to those Settlement  
19 Class Members who elect the Cash Option; the changes to Defendant's business  
20 practices as provided for in the Settlement Agreement; and the release provisions in  
21 accordance with the terms of the Settlement.

22           15. Class Counsel shall be entitled to \$1,790,000 in attorneys' fees,  
23 inclusive of costs. This amount is awarded separate and apart from the Settlement  
24 Amount, and shall not be deducted from or reduce the Settlement Amount in any  
25 way. Plaintiffs Rachel Cody and Lindsey Knowles shall be entitled to incentive  
26 awards of \$5,000 each.

27           16. Releases:  
28

1           A. Settlement Class Members fully, finally, and forever release,  
2           relinquish, and discharge the “Released Parties,” which the Settlement  
3           Agreement defines as:

18          relief, legal relief, and demands or rights, whether known  
19          or unknown, liquidated or unliquidated, accrued or  
20          unaccrued, fixed or contingent, or based on any contract,  
21          statute, regulation, or common law that have been, could  
22          have been, may be, or could be alleged or asserted now or  
23          in the future, all demands, rights, damages, obligations,  
24          suits, debts, liens, and causes of action of every nature  
25          and description whatsoever, ascertained or unascertained,  
26          suspected or unsuspected, existing or claimed to exist,  
27          including unknown claims as of the notice date, by  
28          Plaintiffs and all Settlement Class Members against the  
29          Released Parties in the Litigation or in any other court  
30          action or before any administrative body, tribunal or  
31          arbitration panel arising out of or related to of the claims  
32          asserted by Plaintiffs and the Settlement Class Members

35          Period, against the Released Parties under federal, state,  
36          or any other law or regulation, including but not limited to

1 the EFTA, the UCL, the CLRA, or the California Gift  
2 Card Statute.

3 B. Settlement Class Members are barred and permanently enjoined  
4 from prosecuting any and all Released Claims against the Released Parties.

5 C. Nothing in this Judgment or the Settlement Agreement shall  
6 preclude any action to enforce the terms of the Settlement.

7 17. Plaintiff's Motion for Attorneys' Fees and Expenses and an Incentive  
8 Award (Dkt. No. 238) is granted; the Court awards Class Counsel attorneys' fees  
9 and costs in the amount of \$1,790,000, which is to be paid separate and apart from  
10 the Settlement Amount.

11 18. An incentive award in the amount of \$5,000 each is approved for the
